

2027 INTERNATIONAL CONFERENCE on Artificial Intelligence, Smart Electronic & Energy Systems (AISEE 2027)

22-23 January 2027

Organized By
**St Joseph Engineering College,
Mangaluru, Karnataka, India**

Technically Co-Sponsored By
**IEEE Bangalore Section
IEEE Mangalore Subsection**

All accepted and presented papers will be submitted for possible inclusion in the IEEE Xplore® Digital Library (Conference Record #71866) through the IEEE Conference Publications Program (CPP), subject to compliance with IEEE quality standards.

About St Joseph Engineering College

St Joseph Engineering College (SJEC) is an autonomous institute under Visvesvaraya Technological University, Belagavi, Karnataka State, recognized by the All-India Council for Technical Education (AICTE), New Delhi. SJEC is registered under the trust Diocese of Mangalore, Social Action Department.

Established in 2002, the college offers top-class education in Engineering, Business Administration, and Computer Applications at UG, PG, and research levels. It has well-qualified staff, state-of-the-art laboratories, and all necessary facilities. Presently, about 3,000 students are studying at the college.

About the Conference

The academic year 2026-27 marks a significant milestone as St. Joseph Engineering College celebrates its Silver Jubilee, commemorating 25 years of excellence in engineering education, research, innovation, and societal impact. The 2027 International Conference on Artificial Intelligence, Smart Electronic & Energy Systems (AISEE 2027) is being organized as one of the flagship events of the Silver Jubilee celebrations.

About AISEE 2027

SJEC is organizing 2027 International Conference on Artificial Intelligence, Smart Electronic & Energy Systems during 22-23 Jan 2027. The conference is technically co-sponsored by IEEE Bangalore Section and IEEE Mangalore Subsection.

The AISEE 2027 is envisioned as an international forum that brings together researchers from academia and industry, practicing engineers, professionals, and students to share and discuss recent research advances, emerging technologies, and real-world applications in the areas of artificial intelligence, smart electronics, and energy systems.

The conference will include keynote lectures by distinguished experts, technical paper presentations, and interactive technical sessions, providing opportunities for meaningful exchange of ideas, research outcomes, and best practices among participants. AISEE 2027 aims to promote interdisciplinary collaboration and contribute to the advancement of intelligent, secure, and sustainable engineering solutions.

Important Dates

Paper Submission Deadline	Sunday, Sep 27, 2026 Monday, Oct 12, 2026
Notification of Acceptance	Sunday, Dec 13, 2026
Registration Deadline	Sunday, Dec 20, 2026
CRC Submission Deadline	Sunday, Dec 20, 2026
Conference Dates	Jan 22–23, 2027 (Friday & Saturday)

Call for Papers

AISEE 2027 welcomes paper submissions across six tracks listed below. Submissions may also cover relevant topics beyond those explicitly mentioned.

Track 1: Intelligent Vision & Language Systems

- Computer Vision and Image Understanding
- Video Analytics and Intelligent Perception
- Natural Language Processing and Understanding
- Speech Recognition and Audio Intelligence
- Multimodal Vision–Language Models
- AI for Autonomous Systems
- Affective Computing and Human–AI Interaction
- Knowledge Representation and Reasoning
- Explainable and Trustworthy Intelligent Systems

Track 2: AI in Healthcare

- Medical Image and Signal Processing
- AI for Disease Diagnosis
- Clinical Decision Support Systems
- AI in Personalized and Precision Medicine
- Bioinformatics and Computational Biology
- AI for Drug Discovery and Repurposing
- Wearable Sensors and Remote Health Monitoring
- AI in Mental Health and Behavioral Analysis
- Federated Learning and Privacy-Preserving Healthcare AI
- Ethical and Legal Aspects of AI in Healthcare

Track 3: AI for Smart and Secure Systems

- AI-Enabled IoT Systems
- Blockchain Technologies
- Intelligent Network and Communication Systems
- AI for Cybersecurity
- Secure and Trusted AI Systems
- Edge and Fog Computing
- AI for Smart Cities
- Secure Data Analytics
- AI-Driven Automation for Industry 4.0

Track 4: Communication Systems

- Analog Communication
- Digital Communication
- Wireless and Mobile Communication
- 5G and Emerging 6G Technologies
- Antenna Design and Propagation
- RF and Microwave Engineering
- Optical Fiber Communication
- Satellite Communication
- Radar Communication Systems
- Communication System Modeling and Simulation

Track 5: Signal Processing & VLSI Systems

- Digital Signal Processing Techniques
- Filter Design and Spectral Analysis
- Signal Analysis using Transform Techniques
- Adaptive Filtering and Applications
- DSP Algorithms and Architectures
- VLSI Design and Implementation
- FPGA-Based System Design
- ASIC Design and Verification
- System-on-Chip (SoC) Design
- Embedded Systems and Real-Time Operating Systems

Track 6: Electrical Power and Energy Systems

- Power Systems
- Power Quality
- Renewable Energy Systems
- Energy Storage
- Smart Grid
- High Voltage Engineering
- HVDC & FACTS
- Power Electronics & Drives
- Electric Transportation Systems
- Instrumentation & Control

Conference Committee

Chief Patron

Most Rev. Dr. Peter Paul Saldanha
Bishop, Diocese of Mangalore, India

Patrons

Rev. Fr Wilfred Prakash D'Souza
Director, SJEC, Mangaluru, India

Fr Kenneth Rayner Crasta
Assistant Director, SJEC Mangaluru, India

General Chairs

Dr Rio D'Souza
Principal, SJEC Mangaluru, India

Dr Venugopala P. S.
Chair - IEEE MSS, NMAMIT, Nitte, India

Organizing Chairs

Dr Harivinod N, SJEC Mangaluru, India
Dr Sanath Saralaya, SJEC Mangaluru, India

Program Chairs

Dr Dayakshini, SJEC Mangaluru, India
Dr Hareesh B, SJEC Mangaluru, India
Dr Melwyn D'Souza, SJEC Mangaluru, India
Dr Ashwini B, Chair-Elect, IEEE MSS, NMAMIT, Nitte, India

Advisory Committee

Dr Ashwin T S
Vanderbilt University, Tennessee, USA
Dr Chandan Karmakar, Deakin University,
Melbourne Burwood Campus, Australia
Dr Md Shohel Sayeed
Multimedia University, Malaysia
Dr Vidhyacharan Bhaskar
San Francisco State University, California, USA
Dr B. H. Shekar, Mangalore University, India
Dr B. Renuka Prasad, RV College of Engineering,
Bengaluru, India
Dr B. Venkatesa Perumal, NITK Surathkal
Dr Chengappa M. R., Chair Elect, IEEE Bangalore
Section, HP Enterprise, Bangalore, India
Dr Jagadeesha R Bhat, IIIT, Dharwad, India
Dr Keerthana Prasad, Manipal School of
Information Sciences, MAHE
Dr Mohammed Javed, IIIT Allahabad, India
Dr Niranjana U. C., Chair (2020), IEEE Bangalore
Subsection, India
Dr Ramakrishna M, MIT, MAHE Manipal, India
Dr Preetha Sharan, Oxford College of

Engineering, Bangalore, India

Dr Pushparaj Shetty D., Chair(2021) IEEE MSS,
NITK Surathkal, India

Dr R. Santhosh L. Deshpande,
VTU Belagavi, India

Dr Santosh Kumar Hampannavar, Bipin Tripathi
Kumaon Institute of Technology, Uttarakhand

Dr S. V. Sathyanarayana, Chair(2025) IEEE MSS,
JNNCE Shimoga, India

Technical Program Committee Chairs

Dr Anisha P Rodrigues, SJEC Mangaluru, India
Dr Priya Kamath, SJEC Mangaluru, India
Dr Rohan Pinto, SJEC Mangaluru, India
Dr Sanath Saralaya, SJEC Mangaluru, India
Dr Saumya Y. M., SJEC Mangaluru, India
Dr Shajahan Aboobakar, SJEC Mangaluru, India
Dr Shama B N, SJEC Mangaluru, India
Dr Sridevi Saralaya, SJEC Mangaluru, India
Dr Subramanya K, SJEC Mangaluru, India
Dr Sunitha Guruprasad, SJEC Mangaluru, India
Dr Vijetha U, SJEC Mangaluru, India
Dr Vasudeva, NMAMIT, Nitte University, India
Dr Vishwanath Madhava Shervegar, SJEC
Mangaluru, India
Ms Sumangala N, SJEC Mangaluru

Organizing Committee Chairs

Dr Sheryl Grace Colaco, Dept of EEE, SJEC
Dr Ajithanjaya Kumar M K, Dept of EEE, SJEC
Dr Saleena T S, Dept of ICBS, SJEC

Instructions for Authors

1. Submission Platform: All papers must be submitted through Microsoft CMT.

- While submitting the paper via CMT, ensure that all authors are added in the CMT system.
- Author details must not be included in the PDF of the submitted paper; all author information should be entered only in the CMT portal.
- Addition of new authors will not be permitted once the paper has been submitted for review.
- Removal of authors may be permitted only with proper justification. The Organizing Committee reserves the right to make the final decision in such cases.

2. Double-Blind Review Process: AISEE 2027 follows a double-blind peer-review process.

- All submitted papers will be evaluated based on quality, presentation, and relevance, where author identities are hidden from reviewers and reviewer identities are not disclosed to authors.
- Papers that do not comply with double-blind submission requirements will be rejected without review.
- Authors must strictly follow the subsequent guidelines to preserve anonymity.
- Remove author names and affiliations from the title page of the PDF submitted for review. These details must be included only in the final camera-ready copy if the paper is accepted. Author information should be entered exclusively in the CMT portal.
- Remove acknowledgments, including identifying names and funding sources, from the review PDF. These may be added in the final camera-ready version upon acceptance.
- Remove project titles, system names, or identifiers that could reveal the authors' identities through online searches.
- When citing your previous work, do not omit references for anonymity. Instead, cite them

in the third person, as you would cite other related work. Example: Use "Recently, the authors in [9] proposed..." instead of "Recently, we proposed..."

3. Manuscript Format and pages

- Since the accepted and presented papers of AISEE 2027 will be submitted for possible publication in the **IEEE Xplore® Digital Library** (Conference Record #71866), manuscripts must follow the standard IEEE two-column format and not exceed 6 pages. Authors must use the official IEEE Manuscript Templates for Conference Proceedings for typesetting. IEEE Manuscript Templates for Conference Proceedings is available in <https://www.ieee.org/conferences/publishing/templates>

4. Camera-Ready Copy (CRC) Checks: The Camera-Ready Copy of every accepted paper will be subjected to IEEE CrossCheck (similarity check) and 2) IEEE Prohibited Participants List (PPL) verification. Papers failing these checks will be rejected.

5. Presentation Requirement: Organizing Committee reserves the right to exclude a paper from post-conference distribution, including removal from IEEE Xplore, if the paper is not presented at the conference.

6. Plagiarism and Double Submission Policy: Papers are reviewed on the condition that they,

- Do not contain plagiarized material Are not under review or submitted elsewhere simultaneously
- Authors are advised to review the IEEE Policy on Plagiarism and IEEE Policy on Double Submission.

7. Originality Requirement: Submitted papers must be original and unpublished. Authors of accepted papers must sign the IEEE Copyright Form and present the paper at the conference

8. Paper Submission: Papers must be submitted through the following link: <https://cmt3.research.microsoft.com/AISEE2027>

Registration and Presentation

- At least one author of every accepted paper must pay the Registration fees and present the paper (in person) during the Conference.
- Papers not presented at the Conference will not be included in the Final Program and Conference Proceedings.
- Student Authors/ Attendees must upload their "Institute ID Cards" during registration.
- Registration fees for different categories are provided in the following table.

Registration Type	Indian Author	Foreign Author
Regular Author (Industry)	INR 10,000	USD 350
Regular Author (Academic)	INR 8,500	USD 300
IEEE Author	INR 8,000	USD 250
Student Author	INR 7,500	USD 250
IEEE Student Author	INR 7,000	USD 200
Regular Attendee	INR 2,000	USD 150
Student Attendee	INR 1,500	USD 40
